Pastor's Letter Notas del Pastor

Dear Parishioners and Friends of Ascension,

Often during the summer months, people find themselves having just a little extra time to catch up on some reading. If that is the case, I would like to again invite and encourage you to read the recently published encyclical written by Pope Francis, *Laudato Si* (Praised Be!) The title comes from St. Francis of Assisi's, The

Canticle of Brother Sun.

In this highly anticipated encyclical, which by the way is addressed to every person on the planet, Pope Francis addresses one of the most crucial issues of our time: caring for God's creation, all of creation. Pope Francis goes beyond the stereotypical rhetoric of "saving the whales" and "recycling coke bottles." Instead, Pope Francis focuses on why protecting the environment must be human-centered. While many are referring to this encyclical as being about global warming and climate change, it is actually first and foremost about human relationships. The pope explains quite clearly that every part of creation is intertwined, one with another. He speaks about our collective responsibility for caring for all of creation. As I encourage all to read the encyclical and meditate on its profound message over the summer, I would invite all to pray the prayer written by Pope Francis, join in praying a prayer for our earth.

All-powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Encourage us, we pray, in our struggle for justice, love and peace.

Peace, Fr. Kearney

Queridos Feligreses y Amigos de la Ascensión,

A menudo, durante los meses del verano, las personas encuentran que tienen un poquito más de tiempo para ponerse al corriente en un poco de lectura. Si ese es su caso, me gustaría otra vez invitarlo e instarle que lea la recién publicada encíclica escrita por el papa Francisco, --Laudato sí «Alabado seas, mi Señor». El título viene del Cántico del Hermano Sol de San Francisco de Asís.

En esta muy anticipada encíclica que, a propósito, está dirigida a todas las personas en el planeta, el Papa Francisco aborda uno de los temas más cruciales de nuestros tiempos: cuidando de la creación de Dios, -- toda su creación. El papa va más allá de la retórica estereotípica de "salvar a las ballenas" y "reciclar botellas de Coca Cola." En vez, el Papa Francisco se enfoca en por qué la protección del medio ambiente debe ser centrada humanamente. A pesar de que muchos se refieren a la encíclica como algo acerca del calentamiento global y cambios climáticos, en realidad es primeramente acerca de las relaciones humanas. El papa explica en términos muy claros que cada parte de la creación está entrelazada -- una con la otra. Él habla sobre nuestra responsabilidad colectiva de cuidar de toda la creación. A medida que les insto a todos que lean la encíclica y mediten sobre su profundo mensaje durante el verano, les invitaría a todos a que oren la oración escrita por el Papa Francisco, únanse a rezar una oración por nuestra tierra.

Dios omnipotente, que estás presente en todo el universo y en la más pequeña de tus criaturas, Tú, que rodeas con tu ternura todo lo que existe, derrama en nosotros la fuerza de tu amor para que cuidemos la vida y la belleza. Inúndanos de paz, para que vivamos como hermanos y hermanas sin dañar a nadie. Dios de los pobres, ayúdanos a rescatar a los abandonados y olvidados de esta tierra que tanto valen a tus ojos. Sana nuestras vidas, para que seamos protectores del mundo y no depredadores, para que sembremos hermosura y no contaminación y destrucción. Toca los corazones de los que buscan sólo beneficios a costa de los pobres y de la tierra. Enséñanos a descubrir el valor de cada cosa, a contemplar admirados, a reconocer que estamos profundamente unidos con todas las criaturas en nuestro camino hacia tu luz infinita. Gracias porque estás con nosotros todos los días. Aliéntanos, por favor, en nuestra lucha por la justicia, el amor y la paz.

Paz, Padre Kearney

Mission Update & 50/50 Raffle

Thanks to everyone who helped with the selling of raffle tickets and to all those who purchased tickets. If you have not heard the winner was Jonathan Casilla. He donated all the money back to our mission. Thank you Jonathan!

Total money collected from our raffle tickets sold: \$5,765. As of today we have raised for this year's mission \$16,334. We need about \$25,000 to \$30,000 for the mission. This is roughly how much we have spent historically in past missions. It seems like a long shot to raise the money before our mission trip which will start on July 5 but we are confident that we will hit our mark.

There is still time. Let's all work together to close the gap.

If you or someone that you know is able to donate any amount toward this cause, the support would be appreciated no matter the amount. Below is the link to donate and link to the mission webpage.

Noticia de la Misión y Rifa 50/50

Gracias a todos los que ayudaron en la venta de boletos de la rifa y a todos lo que compraron boletos. Si usted no ha escuchado el ganador fue Jonathan Casilla. Él donó todo el dinero a nuestra misión. Gracias Jonathan!

Dinero total recaudado de la rifa 50/50 fue \$ 5,765.00. Hasta la fecha hemos recaudado un total de \$16,334.00 para la misión de este año. Necesitamos alrededor de \$ 25.000 a \$ 30.000 para la misión. Esto es más o menos lo que hemos gastados en misiones anteriores. Si, parece una posibilidad remota de recaudar lo que se ocupa antes de nuestra misión la cual comienza el 5 de Julio, pero tenemos fe y nosotros creemos en los milagros y vamos a logra nuestra meta. Todavía hay tiempo. Vamos todos a trabajar juntos para cerrar la brecha.

Si usted o alguien que usted conozca esta en condición de hacer una donación a nuestra misión, su apoyo se agradece, no importa la cantidad. A continuación puede encontrar el enlace para donar en línea:

We have added one second collection per month during the summer months to help defray the costs of our utilities. As you may imagine, electricity costs rise due to air conditioning. Even with the church's new energy efficient A/C units, there are still older window units, older central A/C units, etc.

Additionally, our water usage increases. We constantly are hosing down the property and performing extra cleaning due to the summer rise in the rat activity. Garbage areas are washed in order to have foul odors coming into the church.

Here is a list of all Second Collections over the Summer

- June 28** Ascension Utilities
- July 5 Church in Africa
- July 26** Ascension Utilities
- August 2 Latin America and home missions
- August 30** Ascension Utilities
- Sept 13 St. Joseph's Seminary

Thank you for anything you can do.

Encyclical on the Environment

On June 18, the Vatican issued, "Praised Be: On the Care of Our Common Home" (*Laudato si*). In this encyclical, Pope Francis calls us to save God's creation and to protect the poor who are often those most harmed by ecological destruction.

The idea of "integral ecology" is at the core of Pope Francis's message. Through "integral ecology" Pope Francis reminds us that how we relate to one another, especially the poor, and how we relate to the environment are intimately connected. We will include additional information on this significant encyclical in our Sunday bulletins.

El 18 de junio, el Vaticano emitió "Alabado sea: En el cuidado de nuestro hogar común" (*Laudato si*). En esta encíclica, el Papa Francisco nos llama a salvar la creación de Dios y proteger a los pobres (que a menudo son los más perjudicados por la destrucción ecológica).

La idea de la "ecología integral" está en el centro del mensaje del Papa Francisco. A través de la "ecología integral" Papa Francisco nos recuerda que la forma en que nos relacionamos unos con otros, especialmente a los pobres, y cómo nos relacionamos con el medio ambiente están íntimamente conectados. Vamos a incluir información adicional sobre este significativo encíclica en nuestro boletines.

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
